Legend

- National Forest, National Park, or National Lakeshore
 - National Wildlife Refuge
 - State Forest
 - State Park
 - State Wildlife Management Area or State Wildlife Research Area
 - County Lines
- Number refers to name in list above

PLEASE NOTE:

Many of these areas exist as an individual State Game Area or Other Wildlife Area map which specifically shows details about each area; these detailed maps are available through the Michigan DNR web site at <http://www.michigandnr.com/> (select "hunting" resources, then select "public hunting land", then "State Game Areas and Other Wildlife Areas" to reach the individual area maps and local DNR Wildlife Office contact information). For each area, the local DNR Wildlife Office can answer specific questions on special features, rules and regulations, usage guidelines, or other details.

As a user of Michigan's public lands, it is your responsibility to ensure you are informed of all current rules and regulations relevant to your activities. Contact your local DNR Office, if you have questions, or to verify regulations relating to possible activities before engaging in those activities.

For more information, contact DNR Offices or visit the internet at: www.michigandnr.gov

Portions of these State Areas are designated as Watchable Wildlife viewing areas.

Hunter Monies Help Support Many of These State Areas
